

RT8

LED Disk Light *

Features

Housing

Polycarbonate
 Suitable for New Construction – J-Box Direct Mounting
 Suitable for Recess Can Re-trofit
 Finish Option: -06 White, -62 Satin Nickel, -30 ORB

Optical

Shade: High Performance Glass

Electrical

LED Driver: On Board 120V

Lamp

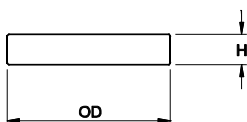

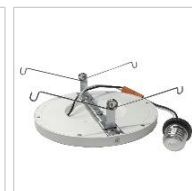

Built-in LED Module, Color Temperature Option 3000K, 3500K, 4000K

Certification

ETL/cETL Listed

Warranty

5 Years Warranty on Driver and LED Module

J-Box Mounting

Recess Can Retrofit

LED Type

| Model | Input Voltage | Input Wattage | Shade | CRI | Lumen (TYP)/CT | Dimension (OD X H) | Energy Star |
|------------------------|---------------|---------------|-------|------|----------------|--------------------|-------------|
